

FIRE BASILISK

The Fire Basilisks lurk in the shadows of towering mountains, ready to attack their unsuspecting prey. These creatures of fire move seamlessly through the rough terrain, until they finally ambush. Their inner fire blazes constantly and kindles their insatiable hunger for blood.

FIRE BASILISK

SERPENT TRAIL

Move or attack always diagonally.

INNER FIRE

Whenever the Fire Basilisk defeats a Creature, it can perform one additional Movement or Attack.

POWER HIERARCHY
